

Agenda for
Health and Wellness Committee Meeting
3:00 in Library at FHS on April 16, 2018

Attendance: V. Nash, S. Gould, D. Curtis, A. Bigonia, K. Mochamps, E. Hill,
M.DiTaranto

Wellness Fair:

2018 Wrap-up:

Updated Vendors List: Committee checked and updated the list to include current contact information.

Thank you Letter: Elizabeth Hill will update letter and forward to Marianne.

Puddle Dock Article: Bianca Pietro will be doing article for Puddle Dock.

Photos (bring any you might have taken): Bianca has photos and Sarah Manter also took photos.

Ideas for next year:

The temperature was too hot so next year we will add fans. The layout worked and flowed well. Vendors seemed pleased with the numbers and space. A suggestion was made to do a Condensed Outreach listings for our schools; Sarah will send the listing she has for HWMS and Dawn will update for next month. We can see if the list can be added to the SAU website. Possible ELO pilot for student involvement, increasing district participation. Also there is interest for FHS National Honor Society and HWMS Student Council involvement for volunteer hours.

Health Curriculum: FHS is working on checking with each department head and some individual teachers. HWMS has most of their list completed. VVS is adding Haven's work to their document.

School Updates: Vickie Nash has confirmed that the contact for the Farmington Fire Department has finished with Farmington and they are looking for a replacement to carry on with the project.

Future Activities for Wellness Committee: Plans for next year are in place starting with our Final Learning Cooperative scheduled for June 2018. Each building listed objectives for each month and we now have a shared vision which we will present to the District at our first meeting next year.

Report for Superintendent and School Board: We will invite Ruth Ellen to our next meeting to see what we should be reporting and how we can let others know what we are doing.

Our next meeting is on May 14 at 3:00 pm in the Conference Room at Valley View. All meetings are open to the public.

Minutes respectfully taken by Marianne DiTaranto.
